

Compatible MICR Toner Cartridges

Huge MICR selection.

For your barcode and check printing, we offer a full line of verified Printech MICR toner cartridges. These are just a few of the newest MICR cartridges we offer - contact us for more information.

Choose quality.

In addition to being tested for print quality, Printech also ensures proper MICR signal strength by printing checks with every cartridge manufactured. Each check is qualified with a check reader similar to most banking institutions. Printech MICR cartridges consistently meet and/or exceed American National Standards Institute (ANSI) Specifications and Standards.

Why spend more than you need to?

Printech Premium Compatible MICR Toner Cartridges provide optimal performance and reliability at very competitive prices. So if you don't mind paying less for a great quality product, make your next cartridges Printech Brand. Printech products are your best value.

Satisfaction Guaranteed.

We stand behind every Printech Brand toner and inkjet cartridge with a 100% Warranty. Our cartridges will be free from defects in materials and workmanship for two years from the date of manufacture.
